Hunters Pt Basewide Rad 2006 release criteria table.pdf

Dear James,

I hope that retirement is treating you well!

I am sorry to bother you. Nadia gave me this email address.

I have gotten some questions about how EPA evaluated the attached rad release criteria. I can't find any documentation in the Superfund Records Center. Mark Ripperda told me what he thought he remembered hearing second hand. I saw your name on some of these documents. Would you be willing to talk to me about your memory of what EPA did? We have a community mtg next Thurs where we expect tough questions from Dan Hirsch, UCSC, when he does his presentation.

I would very much appreciate your help!

- Lily

Subject: Are you in touch with James Ricks?

Dear Nadia,

I've had some questions come up re work done when James Ricks was RPM for Hunters Pt. Do you think he'd be willing to talk with me? Specifically, I'm looking for confirmation/documentation about using the EPA PRG Calculator to develop 2006 release criteria.
